

# Thriving in Babylon

Rev. Wes Chang

Minister of Trinity Mandarin  
Presbyterian Church (**TMPC**)  
North York, ON.,

# TCEMF

(Toronto Chinese **Evangelical**  
Ministerial Fellowship)

almost 200 Chinese churches in GTA,  
over 400 Chinese pastors,  
regularly meet on 1st Wednesday  
morning of each month, average  
attendance about 80 to 100 every  
month.

TCEMF now has 3 major annual event:

- (1) "Toronto **Revival** Meeting" which has the history of over 60 years,
- (2) Our "Pastors **Retreat**" was started by me over a decade ago, more than a dozen years now.
- (3) The annual "**Evangelistic** Meeting"

# Evangelistic Meeting 2018

We are inviting Rev. Dr. Jamie Taylor, the 5th generation great, great grandson of **Hudson Taylor** to be the speaker on May 11-13, 2018

Now China has probably one of the highest population of Christians in the world. **Not the highest in percentage**, but if only 0.01% of Chinese population accepted the Lord as their Saviour, we have more Christians than all the churches put together in Canada.

In November 2017,  
 We invited **Rev. Liu  
 Tong-su 劉同蘇**牧師  
 to be the keynote  
 speaker for Toronto  
 Chinese Revival  
 Meeting.

TMPC is a colourful church according to members' political backgrounds: those who came from **China Communist** is called **red** coloured, those who support **KMT (Nationalist Party)** of Chiang Kai-Shiek is **blue**, and the **green** color is for **DPP (Democratic Progress Party)** the current government in Taiwan,

Psalm 133:1 said, "How very good and pleasant it is when kindred live together **in unity!**"(NRSV)

Just like the earthquake has "golden 72 hours" to save lives, we should be aware that there are "golden few months or even weeks" to approach to these young students.

Matthew 9:36 said "When he saw the crowds, he had compassion for them, because they were harassed and helpless, like a sheep **without shepherd.**"

Mao Tse-tung taught us: 人不犯我，  
我不犯人； 人若犯我， 我必犯人！  
"If you don't offend me, I will not  
offend you. But if you offended me,  
**I will surely retaliate."**

Pastor **Yuan Zhi-Ming** 远志明 was a professor of Philosophy in 人民大学 one of top universities in China, he fled to America during the June 4th 六四 Tien-An-Men Event in the 90s.

**Unionville Presbyterian Church** in Unionville. UPC was looking for someone to start Chinese ministry there because their **ESL** program attracted more than hundred people with average attendance of 70-80 every week.

ESL is proven a very effective program to draw people to church, **languages** could be a stumbling block or barrier for ministries, but also can be a **stepping stone** or **bridge** to new ministries.

You could try to help new immigrants like me, who ended up standing here today to share with you how God could use you to be "Thriving in Babylon".
